

hurtwood park | polo country club

The Clubhouse combines a listed historic barn with sympathetic architecture. It is both a beautiful building in its own right and a graceful centre of hospitality set within the sight of the Hurtwood Hills of Surrey. The integral bar and restaurant are designed to be of the highest possible standards, achieving a first class service. The facilities and ambience of the Clubhouse together with the growing interest in the game of polo makes Hurtwood Park Polo Club the perfect venue for your enjoyment.

Hurtwood Park Polo Club is strictly a members only club and social members benefit from:

1. Full use of the Clubhouse facilities all year round.
2. Free access to support all polo throughout the season (although there might be a small charge for entry to certain charitable events).
3. Discounts on any non-charitable ticketed events.
4. Preferred reservation policy.

Your annual membership fee of £150.00 + VAT covers not only your membership, but your spouse and any children under 18 years.

We look forward to welcoming you to the club.
